Johnny had to run away  
And Charlie he's no problem  
Susie's got to get a job  
And Stevie's such a funny one

They're just like all the people  
Who are born around here  
They all just want to get there  
With Caroline's suitcase

Robbie talks of Vietnam  
But that's not how I know him  
Young Christopher is growing up  
And Charlotte's always sleeping

They're just like all the people  
Who are born around here  
They all just want to get there  
With Caroline's suitcase

When seagulls fly, we wave good-bye  
When seagulls fly, we wave good-bye

Judy, Judy, she's just around the corner  
Judy, Judy, she's just around the corner

Paul says he's happy  
And Louis lights the fire  
Jason talks of far away  
And I try to think of everyone

But they're just like all the people  
Who are born around here  
They all just want to get there  
With Caroline's suitcase

Judy, Judy, she's just around the corner  
Judy, Judy, she's just around the corner

When seagulls fly, we wave good-bye  
We must be on our way
