Everything they want to pin on you
Everything you say and do
Looking through their photofits
See your face and your face fits

George Davis is innocent
George Davis is innocent
George Davis is innocent
Okay

All the world's gonna write about you
All the world's gonna know about you
They want to put you on News At Ten
If you don't talk it'll happen again

George Davis is innocent
George Davis is innocent
George Davis is innocent
Okay

I'm never gonna leave you alone
They're never gonna leave you alone
Everything you say and do
May be used against you

George Davis is innocent
George Davis is innocent
George Davis is innocent
Okay

They're never gonna leave you alone
They're never gonna leave you alone
They know where you bloody live
East London is your home

George Davis is innocent
George Davis is innocent
George Davis is innocent
Okay
