Let's Go Crazy by C.N. Blue
Let's go crazy
Let's go crazy

I can feel the hit in my flesh and bone
I don't wanna be here on my own
Might miss a chance turning every stone
A moment or two and it's gone

I only wanna play for fun
Come let's get together every one
If you wanna know, stay till the end
I could be lover or a friend

I'll be damned if I do
I'll be damned if I don't do too
I find a way to get through
And that is you

Let's go crazy you gotta show oh baby
Let's go crazy go with the flow and maybe
Not so hasty taking it slow, it's so easy and
Let us go crazy again (x2)

Some of the days gonna pass you by
Not always great and you don't know why
I will if you up till you touch the sky
Cause I'm gonna make you fly

I'll be damned if I do
I'll be damned if I don't do too
I find a way to get through
And that is you

Let's go crazy you gotta show oh baby
Let's go crazy go with the flow and maybe
Not so hasty taking it slow, it's so easy and
Let us go crazy again (x2)

I'm gonna go break now
I'm gonna go uh break now

I'm gonna go break now
I'm gonna go uh uh uh woo

Let's go crazy (crazy)
Baby let's go crazy (crazy)
Oh baby let's go crazy (crazy)
It's so easy and let's go crazy again

Let's go crazy you gotta show oh baby
Let's go crazy go with the flow and maybe
Not so hasty taking it slow, it's so easy and
Let us go crazy again (x2)
