So beautiful, So beautiful

I'd give my flesh for yours  
I'd sacrifice everything  
You are my door to a new beginning  
A lucky charm, potato pie  
So sweet you make me cry  
I can't deny  
The way you make me feel inside

Chorus:  
You are a beautiful one  
And I long to hold  
You until the sun  
Goes down on your soul

Have mercy on me  
I'm crazy 'bout you  
Looking all ethereal  
Lips make me through  
You are my song when there's no music to play  
Oh I wanna marry someone like you someday

Chorus

oh beautiful one... Don't you ever go, don't you ever go

Can't you hear the bell's ringing  
Doves flying in the air  
With this ring I promise to always be right there  
Through the good and the bad times  
Forever yours, I will remain  
With your love baby and my life  
You know we can stop the rain, yeah

Chorus

Oh beautiful one...  
Don't you ever go, don't you go...

Chorus

Oh beautiful one Don't you ever go, don't you ever go...
