(Chorus)

Don't you walk away from me
Cause I don't want to see you leave
(I don't want to see you leave)

Don't you walk away from me
Cause I don't want to see you leave

(Vs.1)

Tell me what
What is better than sharing
Sharing love with you

And tell me what
What is better than caring
I wanna spend my life with you
Don't walk

(Chorus)

(Vs.2)

Do you know
Do you know how I'm feeling
When your lying next to me

And does it show
Everything that I'm feeling
When you touch me, it is real
Don't walk

(Chorus)

Bridge:

When we share
Our love I feel
Like it is so real
He told me the deal
I can make you see
What is ecstasy
Come and go with me
But don't walk away

I don't wanna see
Don't wanna see you leave

(Chorus)

Don't walk away
Don't walk away
You can't walk away

Talking:
You know what I'm saying
Cause you can't never lose
The love you never had
If a nigga didn't never love you
Then you ain't lost nuttin
First of all
But if I love somebody...

Please don't walk away
Please don't walk away
I can't be feelin this way bout myself
Cause I know somebody else Loves me a little better
than you do yeah
