Kirk:

This is for the little child with no father
For that man that doesn't have a place to stay
And for that little boy living with AIDS
(I'ma tell your story, tell your story)
You can lean on me

R. Kelly:

There's a man
Standing on the corner
He has no home, he has no food
And his blue skies are gone
Can't you hear him crying out

Crystal:

And there's a girl
Searching for a father and a friend
Praying that the storm someday will end
But instead of walkin' away
Open up your heart and say

(Chorus)

I am here
You don't have to worry, I can see your tears
I'll be there in a hurry when you call
Friends are there to catch you when you fall
Here's my shoulder, you can lean on me

Mary:

There's a child who is sick and begging to be free
But there is no cure for his disease
He looks up to his mother as (as she holds)
(Holds... his hand)

Bono:

Prayin' that someday the sun will shine again

(Choir)

And the pain, pain will end, come on

(Chorus)

R. Kelly:
Tell me how can I, how can I love Jesus
When I never seen His face

Bono:
Yet I see you dying

Crystal:
And I turn and walk awaaaay

Crystal:
So hold my hand

Bono:
let me take you to a friend of mine

He's waiting just to ease your troubled mind
And instead of walkin' away, open up
Open up your heart and say

(Chorus)
I am here
You don't have to worry, I can see your tears
I'll be there in a hurry when you call
Friends'll be there to catch you when
Catch you when you fall, ooh
Thank you Jesus, yeah
Here's my shoulder, you can lean on me
Here's my shoulder, you can lean on me
Here's my shoulder, you can lean on me Here's my
shoulder, you could lean on me Hallelujah
