I'm so tired, I'm tired of all this drama
No more, no more
I wanna be free
I'm so tired, so tired

Broken heart again
Another lesson learned
Better know your friends
Or else you will get burned
Gotta count on me
Cause I can guarantee
That I'll be fine

No more pain (no more pain)
No more pain (no more pain)
No drama (no more drama in my life)
Noone's gonna make me hurt again

Why'd I play the fool?
Go through ups and downs?
Knowing all the time
You wouldn't be around
But baby I like the stress
Cause I was young and restless
But that was long ago
I don't wanna cry no more

No more pain (no more pain)
No more game (no more game messin' with my mind)
No drama (no more drama in my life)
Noone's gonna make me hurt again
No more tears (no more tears, I'm tired of cryin'
everynight)
No more fears (no more fears, I really don't wanna cry)
No drama (no more drama in my life)
I don't ever wanna hurt again
Wanna speak my mind, wanna speak my mind

Oooh, it feels so good
When you let go
Of all the drama in your life
Now you're free from all the pain
Free from all the game
Free from all the stress
So find your happiness
I don't know
Only God knows where the story is
For me, but I know where the story begins
It's up to us to choose
Whether we win or lose
And I choose to win

No more pain (no more pain)
No more game (tired of you playin' games with my
mind)
No drama (no more drama in my life)
No more, no more, no more, no more, no more, no
more
No more tears (no more tears, no more cryin' every
night)
No more fears
(no more wakin' me up in the morning)
(we don't deserve it no more)
No drama (leave me alone, go ahead)
No more in my life (heyyy, ad-libbing to end)

No more drama, no more drama
No more drama, no more drama
NO MORE DRAMA
NO MORE DRAMA
NO MORE DRAMA
NO MORE DRAMA
NO MORE DRAMA No more drama in my life I'm so tired,
so tired, tired of this drama
