(feat. Ja Rule)

[Ja]  
Heh yeah  
Rule baby, heh  
Mary J. Blige  
Murda INC  
Smile...

[Mary]  
It's just those rainy days  
Spend a lifetime tryin to wash away  
Until the sun come out and shines again  
Smile for me, smile for me

[Ja]  
All of those rainy days  
Spend ya lifetime tryin to wash away  
Until the sun shines and I see your face  
Smile at me, smile at me

[Mary]  
We were always livin so crazy and sexy and cool  
And we began to love it (began to love it)  
Watchin all of the heartache and pain of the world  
And thinkin nothin of it (thinkin nothin of it)  
And baby I got love for you  
And I know that you got me, baby  
But everytime the sun shines bright  
It gets so cloudy

It's just those rainy days  
Spend a lifetime tryin to wash away  
Until the sun come out and shines again  
Smile for me, smile for me

[Ja]  
All of those rainy days  
Spend ya lifetime tryin to wash away  
Until the sun shines and I see your face  
Smile at me, smile at me

[Mary] Nobody loves the rain  
[Ja] Can't stand it  
We know we've seen it before  
[Mary] Baby, handle it  
Baby, what did we tell ya before  
About chasin those waterfalls  
[Both] Yeah...  
[Mary] Nobody loves the rain  
[Ja] Can't stand it  
We know we've seen it before  
[Mary] Baby, handle it  
Baby, what did we tell ya before  
About chasin those waterfalls  
[Both] Yeah...

[Ja]  
Yea baby  
Sometimes the Rule don't mind the rain  
It kinda feels like I'm drownin in the Lords pain  
Until the sun comes out and shines again  
Smile, and give me reason to keep believin  
That everything ain't misleadin  
And I, kiss the clouds on them rainy days  
And, smile for you when ya skys are gray  
Babe, cuz I'm a tear drop away from cryin  
And a few shots away from dyin  
Dear Lord, would you shower my pain  
Let it rain, let it rain on me  
While I cherish the air I breathe  
I'm an angel, that can't soar, can't fly  
And I, mastered it Lord knows why

[Mary]  
It's just those rainy days  
Spend a lifetime tryin to wash away  
Until the sun come out and shines again  
Smile for me, smile for me

[Ja]  
All of those rainy days  
Spend ya lifetime tryin to wash away  
Until the sun shines and I see your face  
Smile at me, smile at me

[Mary]  
I feel like an angel  
With my broken wings  
So I can soar again  
Lord let me in  
Baby through all the passion the pain and the hurt

I feel like I'm fallin, yeah

Makin clothes for all of those that  
Spread love  
And for those who can't take it  
Stand up  
Baby, we gonna make it  
In the words of Marvin Gaye  
War is not the answer

Cuz nobody loves the rain  
[Ja] Can't stand it  
We know we've seen it before  
[Mary] Baby, handle it  
Baby, what did we tell ya before  
About chasin those waterfalls  
[Both] Yeah...  
[Mary] Nobody loves the rain  
[Ja] Can't stand it  
We know we've seen it before  
[Mary] Baby, handle it  
Baby, what did we tell ya before  
About chasin those waterfalls  
[Both] Yeah...

[Mary]  
It's just those rainy days  
Spend a lifetime tryin to wash away  
Until the sun come out and shines again  
Smile for me, smile for me

[Ja]  
All of those rainy days  
Spend ya lifetime tryin to wash away  
Until the sun shines and I see your face  
Smile at me, smile at me

[Mary]  
Smile, smile, smile, smile, smile, smile, smile, smile,  
smile  
Til the sun shines  
Just smile for me  
Just smile for me, just smile at me Know in your heart,  
that we are free Free to believe, whatever we feel So  
feel somethin real, baby Hey-ey
