Someday at Christmas
Men won't be boys
Playing with balms
Like kids play with toys
One warm December
All hearts will see
A world where men are free

Someday at Christmas
They'll be no wars
When we have learned
What Christmas is for
When we have learned
What life's really worth
They'll be peace on Earth

Someday all are dreams will come to be
Someday in a world where men are free
Maybe not in time for you and me
But someday at Christmas time

Someday at Christmas
We'll see a land
With no hungry children
And no empty hands
One happy morning
People will share
A world where people care

Someday at Christmas
They'll be no more tears
Where all men are equal
And no man has fears
One shining morning
We're on our way from today
But Someday at Christmas time

Someday all are dreams will come to be
Someday in a world where men are free
Maybe not in time for you and me
But someday at Christmas time

Someday at Christmas
Men will not care
Hate will be gone
And love will prevail
Someday a new world that we can start
With hope in every heart

Someday all are dreams will come to be
Someday in a world where men are free
Maybe not in time for you and me
But someday at Christmas time Someday at Christmas
