(Herzog, Holiday)

Hush now, don't explain  
Just say you'll remain  
I'm glad your back, don't explain

Quiet, don't explain  
What is there to gain  
Skip that lipstick  
Don't cry, don't lie, explain

You know that I love you  
And what love endures  
All my thoughts of you  
For I'm completely yours  
Hurts to hear folks chatter  
When they say you cheat  
Right or wrong, don't matter  
When you're with me, sweet

Hush now, don't explain  
You're my joy and pain  
My life's yours love  
Don't explain
