I've had one desire since I was born  
To see my body ripped and torn  
To see my flesh devoured before my eyes  
I'm here for you, I volunteer as a human sacrifice

[Chorus]

Carve me up, slice me apart  
Suck my guts and lick my heart  
Chop me up, I like to be hurt  
Drink my marrow and blood for dessert  
EATEN...  
My one desire, my only wish is to be-  
EATEN...  
The longer I live the more I'm dying to feel the pain  
EATEN...  
I would do anything to be-  
EATEN...  
My one desire, my only wish is to be-  
EATEN...

I finally found you, my personal slaughter  
As an appetizer, I let you taste my daughter  
Call me sick but this is what I need  
My only purpose here is for you to feed

[Chorus]

Carve me up, slice me apart  
Suck my guts and lick my heart  
Chop me up, I like to be hurt  
Drink my marrow and blood for dessert  
EATEN...  
My one desire, my only wish is to be-  
EATEN...  
The longer I live the more I'm dying to feel the pain  
EATEN...  
I would do anything to be-  
EATEN...  
My one desire, my only wish is to be-  
EATEN...

Desecrate me

Tear me limb from limb  
Eviscerate me  
Chew me to death

EATEN...

My one desire, my only wish is to be-

EATEN...

The longer I live the more I'm dying to feel the pain

EATEN...

I would do anything to be-

EATEN...

My one desire, my only wish is to be-

EATEN...
