(Lennon, McCartney)

I was alone, I took a ride, I didn't know what I would find
there

Another road where maybe I could find another kind of
mind there

Ooo, then I suddenly see you

Ooo, did I tell you I need you

Every single day of my life

You didn't run, you didn't lie, you know I wanted just to
hold you

And had you gone, you knew in time we'd meet again
for I had told you

Ooo, you were meant to be near me

Ooo, and I want you to hear me

Say we'll be together every day

Got to get you into my life

What can I do, what can I be, when I'm with you I want
to stay there

If I'm true I'll never leave and if I do I know the way
there

Ooo, then I suddenly see you

Ooo, did I tell you I need you

Every single day of my life

Got to get you into my life, got to get you into my life

I was alone, I took a ride, I didn't know what I would find
there

Another road where maybe I could find another kind of
mind there

Ooo, you know I need my baby

Ooo, you know I need my baby

Don't say "I'll see you"

Did I tell you that I need you

Every single day
