(Hooker)

I've been sitting here thinking in my one room country
shack

I've been sitting here just thinking in my one room
country shack

Well all I've got to show for this life
Is these raggy old clothes upon my back

I think I'll go down town, leave me one room country
shack behind

I think I'll go down town, leave me one room shack
behind

Got to find me a woman tonight,
I don't care if she's blind, dumb, crippled and blind

I'm just an ooo ooo baby, ooo ooo baby, baby now
I'm just an ooo ooo baby, ooo ooo baby, baby now
