(Clayton-Thomas, Halligan)

Toil and labour on the Ark, Noah, God meant it  
Scorn and pity's all the world around, you'll ever know  
Rain and thunder in the dark, Noah, God sent it  
Sing redemption everywhere you go  
Praise the Lord, he has led you, Noah

Thirst and hunger on the rock, Moses, God gave you  
Pain and sorrows all the world around, you'll ever know  
Fire and fury in the cloud, Moses, God save you  
Sing redemption everywhere you go  
Praise the Lord, he has led you, Moses

Cold and hungry in the ground, Joseph, God left you  
Greed and hatred's all the world around, you'll ever know  
Pull your coat of colours round, Joseph, God blessed you  
Sing redemption everywhere you go  
Praise the Lord, he has led you, Joseph

Oh Joseph!
