(Harry Nilsson)

I spend the night in a chair
thinking' she'll be there
but she never comes
and I wake up and wipe
the sleep from my eyes
and I rise, to spend another day
without her

It's just no good anymore
when you walk through the door
of an empty room
you go inside and set a table for one
it's no fun
when you have to spend the day without her

We burst the pretty balloon
took us to the moon
such a beautiful thing
but it's ended now and it sounds like a lie
If I said I'd rather die,
than be without her

Love is a beautiful thing
when it knows how to swing
and it grooves like a clock
but the hands on the clock
tell the lovers to the part
and it's breakin' my heart
to spend another day without her

(Horn Solos)

I'll spend the night in a chair
thinking she'll be there
but she'll never come
and I'll wake up and wipe
the sleep from my eyes
and I'll rise and spend the day without her

Can't go on without her

There's no song without her
Can't go on without her.

Just One Smile (Randy Newman)
Can I cry a little bit
there's nobody to notice it
Can I cry if I want to
No one cares

Why can't I pretend
that you love me again?
All I had has been taken from me
now I'm cryin'
and tears don't become me

Chorus: Just one smile,
Pain's forgiven
Just one kiss, girl
Now the hurt's all gone
Just one smile to my
make my little life worth livin'
a little dream to build my world upon

How I wish
I could say
All the things that I got to say
How I wish you
Could see what's here
In My heart
I don't ask for much
A look, a smile, a touch
Try to forget
Well, the Lord knows I'm tryin'
But it's so hard to forget girl,
when your whole world is dyin'

(Chorus)
(Solos)

Try to forget
Well, the Lord knows I'm tryin'
But it's so hard to forget girl,
when your whole world is dyin'

(Chorus)
