It doesn't matter what you look like if you got some
Fee Fi Fo Fum
It doesn't matter what you look like and let me tell
You everybody got some
Jump up and down
Everybody jump up and down now
Jump up and down
Everybody jump up and down now
It doesn't matter what you're thinking if you got some
Fee Fi Fo Fum
It doesn't matter what you're thinking and let me tell
You everybody got some
Twist and shout
C'me on and twist and shout
Twist and shout
Twist and shout now
It doesn't matter who are friends are if you got some
Fee Fi Fo Fum

It doesn't matter who are friends are and let me tell
You everybody got some
Clap your hands

C'me on and clap your hands now
Yeah you got to clap your hands now
Clap your hands now
It doesn't matter what got or if you don't know what
