There's a great big mystery, and it sure is worrying me  
This Diddie Wa Diddie  
Mister Diddie Wa Diddie  
I wish somebody would tell me what Diddie Wa Diddie  
means

The little girl about four feet four, come on papa and  
give me some more,  
of your Diddie Wa Diddie, your Diddie Wa Diddie  
I wish somebody would tell me what Diddie Wa Diddie  
means

I went around and walked around, somebody yelled,  
said, "Look who's in town"  
Mister Diddie Wa Diddie  
Mister Diddie Wa Diddie  
I wish somebody would tell me what Diddie Wa Diddie  
means

Went to church, put my hand on the seat, lady sat on it  
said, "Daddy, you sure is sweet"  
Mister Diddie Wa Diddie  
Mister Diddie Wa Diddie  
I wish somebody would tell me what Diddie Wa Diddie  
means

I said, "Sister, I'll soon be gone, just gimme that thing  
you sitting on"  
Mister Diddie Wa Diddie  
Mister Diddie Wa Diddie  
I wish somebody would tell me what Diddie Wa Diddie  
means

Then I got put out of church, 'cause I talk about Diddie  
Wa Diddie too much  
Mister Diddie Wa Diddie  
Mister Diddie Wa Diddie  
I wish somebody would tell me what Diddie Wa Diddie  
means
