Oh, when my heart beats, baby  
Yeah, yeah, yeah  
Love hurts maybe  
Yeah, yeah, yeah  
Baby, gonna stop it  
Baby, gonna stop your heart  
Like a burning fire  
Yeah, yeah, yeah  
It will lift you higher  
Yeah, yeah, yeah  
Baby, gonna stop it  
Never gonna stop it  
Baby, gonna save your heart

Oh come tonight, oh come tonight  
We're dancing in shadows  
I can hear your heartbeat's calling every night  
Oh come tonight, oh come tonight  
We're dancing in shadows  
Friends and strangers, baby, walking side by side  
Dancing in shadows, dancing in shadows

Oh, when my heart beats baby  
yeah, yeah, yeah  
A heartbeat's calling  
yeah, yeah, yeah  
Baby, come and stop me  
Baby, gonna stop my heart  
The time is like the right time  
yeah, yeah, yeah  
From the rest in the skyline  
yeah, yeah, yeah  
They'll hurt you, baby  
Heart is broken maybe  
Baby come and stop your heart

Oh come tonight, oh come tonight  
We're dancing in shadows  
I can hear your heartbeat's calling every night  
Oh come tonight, oh come tonight  
We're dancing in shadows

Friends and strangers, baby, walking side by side  
Dancing in shadows, dancing in shadows

I can hear your heartbeat's calling every night  
Oh come tonight, oh come tonight  
We're dancing in shadows  
Friends and strangers, baby, walking side by side  
Oh come tonight, oh come tonight  
We're dancing in shadows
