Miss you tonight. Be a man of my love,
be the prince of ebony.
Need to surrender - I can't get enough
On your sweet love souvenirs.
Baby, don't kill me with your heart's desire
Together we can shine.
Oh, can't you see that my heart's on fire?
Oh, you're the one - oh baby, just be mine.

Refrain:

Don't shoot my sheriff tonight, my sheriff tonight -
baby, he's too young to die.
Don't shoot my sheriff tonight - oh, stand up and fight.
He belongs to the night.
Don't, don't, don't shoot my,
don't, don't, don't shoot my,
don't shoot my sheriff tonight.
Don't, don't, don't shoot my,
don't, don't shoot him tonight.

Cocktails at midnight in a danger zone
Reservation for lonely hearts.
Nobody's child - I can't be alone
You're belonging to the dark.
Oh, I'll never have a love like fire
Together we can shine.
I can feel that it takes me higher.
Oh, you're the one - oh baby, just be mine.
