Heaven can be cold
Baby,baby, when you lose control
Everybody needs someone to love
Be careful in the night

He can't hurt you more
Baby,baby as he did before
Come on, baby, keep your hands of him
In the gipsy night

It will come and go
Everybody knows

You make your own
Heaven and hell
Daytime lovers love for sale
You make your own
Heaven and hell
Letters full of tears will tell
He takes your heart
I know him well
You've got no time to lose
For heaven and hell

Behind a painted smile
Baby,baby, he's running wild
Everybody needs some love tonight
Be careful in the nights

He don't wanna lose
Baby,baby, it's a simply news
Come on,baby,keep your hands of him
In the gipsy night

It will come and go
Everybody knows

You make your own
Heaven and hell
Daytime lovers love for sale
You make your own

Heaven and hell
Letters full of tears will tell
He takes your heart
I know him well
You've got no time to lose
For heaven and hell

For heaven and hell
For heaven and hell
For heaven and hell
