Take your chance for paradise  
I'm looking in your eyes  
You might be mine tonight  
Yeah, i'm feelin' like a fool  
'cause you still act so cool  
Spend the night with me

I can lose my heart tonight  
If you're lonely, feel alright  
This is just the night for me and you  
I can lose my heart tonight  
Are you lonely deep inside?  
There is something in the air tonight

I can feel it everywhere  
There's magic in the air  
You might be mine tonight  
Yeah, i feel so hypnotised  
I feel like paradise  
I see heaven in your eyes

I can lose my heart tonight  
If you're lonely, feel alright  
This is just the night for me and you  
I can lose my heart tonight  
Are you lonely deep inside?  
There is something in the air tonight

Take me in your arms  
Hold me close tonight  
Take my heart away  
Take me to the night

I can lose my heart tonight  
If you lonely, feel alright  
This is just the night for me and you  
I can lose my heart tonight  
Are you lonely deep inside?  
There is something in the air tonight
