It was raining out that nightcafe  
When I watched my dreams all fade away  
Oh don't tell me how the story ends  
'Cause I'm sitting here crying in my hands  
You're a million miles away  
And you're playing every day  
So come on, so come on, so come on

He's a midnight gambler  
On a highway of fools  
Why you're breaking my heart, boy?  
Why you're breaking the rules?  
He's a midnight gambler  
On a highway of fools  
Diamonds are forever  
But your heart is too cruel

Oh, you're breaking down my paradise  
At the fire, baby, I feel lies  
And I'm telling - there's no end  
And I'm sitting here crying in my hands  
You're a million miles away  
Come on, baby, make my day  
So come on, so come on, so come on

He's a midnight gambler  
On a highway of fools  
Why you're breaking my heart, boy?  
Why you're breaking the rules?  
He's a midnight gambler  
On a highway of fools  
Diamonds are forever  
But your heart is too cruel

Come on, come on  
From the highway of fools  
Come on, come on  
We are breaking the rules  
Come on, come on  
Let's stay together

He's a midnight gambler  
On a highway of fools  
Why you're breaking my heart, boy?  
Why you're breaking the rules?  
He's a midnight gambler  
On a highway of fools  
Diamonds are forever  
But your heart is too cruel
