When you're down and feelin' blue  
Close your eyes, I'll be with you  
Oh heartache, here comes heartache  
Makin' love for him was fun  
He never needed anyone  
Oh heartache, here comes heartache

Strangers by night  
Be strangers tomorrow  
'cause deep in the night  
The light is fooling your hearts  
And lovers tonight  
inside our hearts  
Are lovers tomorrow  
But lovers by night  
Sometimes be strangers today

Nights won't last forever, girl  
Strange are the ways of this world  
Oh heartache, here comes heartache  
Cinderella, heroes wait  
For your hard times it's too late  
Oh heartache, here comes heartache

Strangers by night  
Be strangers tomorrow  
'cause deep in the night  
The light is fooling your hearts  
And lovers tonight  
inside our hearts  
Are lovers tomorrow  
But lovers by night  
Sometimes be strangers today

Strangers tonight  
Be strangers tomorrow  
Lady, tonight  
Tonight be careful with love  
Some love is too hot,  
too hot to stop  
A bad fall tomorrow

And lovers by night  
Sometimes be strangers today

And lovers by night  
Sometimes be strangers today
