My heart keeps beating

I'm sure I can't be so wrong - so wrong.

Your heart keeps burning

why are we waiting so long - so long?

When I first met you everyday's routine

went through complete revers

Nothing remained of the former boredom

your appeal affects me.

Now you're acting never giving me a chance

To show you what my feelings are.

My heart keeps beating

I'm sure I can't be so wrong - so wrong . . .

I give you my love

all my love from deep down inside.

Now since I'm with you

you start complaining about the way I'm living.

Nothing remains of the former hot romance

still you attract me.

But you're acting never giving me a chance

To show you what my feelings are.

My heart keeps beating

I'm sure I can't be so wrong - so wrong . . .

My heart keeps beating

I'm sure I can't be so wrong - so wrong . . .

I gave you my love

all my love from deep down inside.

My heart keeps beating

I'm sure I can't be so wrong - so wrong . . .

My heart keeps beating

I'm sure I can't be so wrong - so wrong . . .

My heart keeps beating

I'm sure I can't be so wrong.
