It's been cool since a nigga didn't bought a few straps  
Kill a coup' of Crabs - bust some coup' of raps  
Niggas been snitchin' since the last L.P.  
Niggas on the streets acted like they trusties  
My grandpop said: "Braze, you best to break that bitch"  
That's why I flip the script and killin' with this gangsta  
shit  
I heard you're scared to hold the strap  
Your OG's mad  
Cause my homies bust caps  
And come right back (WOOP WOOP)  
Hey fuck, it don't freeze up  
Bust it if you bee us  
Bhakis suit with the Stars crease us  
I'm used to the K-Swiss  
Pendleton, bhakis, cap Frog off hats with the B on it, hit  
the big Fig  
We the shit, you ain't heard of the Thunderbird  
With the red lips, nigga fuck the Rips  
Lil' Yak with the mini Mac I hit 'em up  
Hit and run: blaka-blaka!  
Hit 'em up  
I don't give a fuck  
Braze from the gang, I'ma do it  
Where the heater at? Let me shoot it  
Hell roll like some ?? it's me and T-man  
Use to roll a G-man  
It's ?? it up with the big B and... (WOOP WOOP)

[scratches]

Most of all I gots to clown your hoes  
Split - diggin' in the hoes, swingin' off the foes  
Bitches see the Vogues in the Hundred Spoke Gold  
Where they hit the clubbers start like another hoes  
It's all good I like them babies that be rockin' babies  
Keep it real if you're dikin'

I've been pimpin' use to roll a Limo  
Now I got a women hoe ?? up in my stable, ah  
All upon the turntable tryinna find a label  
Get out and bust and get rushed on sight  
Brazy-Daze behind the mic keep dynanmite  
Who else can bust with the B-Dawgs  
I'm the nigga with the hold it now  
Bump you down you in the ?? you best to bang now

[scratches]  
Back the fuck...  
Back the fuck 'fore I act the fuck up...

[B-BRAZY]  
You out the module but you P.C.'d up  
Red strings in your Chucks but you ain't gon' bust  
Who to trust when it's time to roll  
In a car or on the bike or on foot patrol  
Fresh off parole  
But I bickin' with the bangers Damu ??  
On the thangs the Damu Ridin' bitches sayin' us  
Nang-Nang  
Knock 'em out

Crabs think take a tire about  
I'm the nigga in the hoe since you got toasted up  
Cherry slugs, chip ?? jaws, right up

[scratches]  
Back the fuck...  
Back the fuck 'fore I act the fuck up

[B-BRAZY]
