Something wonderfully right is going wrong with me  
Suddenly I feel the way I've always wished to be  
The leafless trees of winter, extend fantastic fingers  
To guide my gaze toward the sunlight through the  
clouds

Adam Strange is in my brain, I'm so glad to know him  
Adam Strange is in my brain, I'm so glad to know him  
I'm so glad

Man of letters, man of substance, bring me to my  
senses  
Keep me close to my companions', crumble all  
defences  
And we sit in silent wonder, before the tranquil water  
Reflecting undisturbed, the stillness of our minds

Adam Strange is in my brain, I'm so glad to know him  
Adam Strange is in my brain, I'm so glad to know him  
I'm so glad

Adam Strange, oh Adam Strange  
Oh Adam Strange, oh Adam Strange  
Oh Adam Strange, oh Adam Strange  
Oh Adam Strange, oh Adam Strange  
Oh Adam Strange, oh Adam Strange  
Oh Adam Strange
