Ah conquistador is it only gold you're looking for  
Or may you still yet see  
The treasure long concealed within thee?

Ah conquistador campaigns you waged to win the war  
To gain the world and lose your soul  
What were you fighting for?

Ah conquistador is it only gold you're looking for  
How can you still not see  
A treasure long concealed within thee?

Ah conquistador who plundered paradise and more  
To gain the world and lose your soul  
Por que conquistador?

Ah conquistador enslaved in chains you never saw  
You who were meant to live so free

Ah conquistador is it only gold you're searching for  
How can you still not see  
A treasure long concealed within thee?

Ta logico, ta otimo, ta legal  
Tem jeito?  
... sempre tem jeito
