The sparkling rain is scintillating  
We're positively glowing with health  
All instruments are indicating  
Our children will inherit this wealth  
But please don't think I'm that concerned  
By one more lesson gone unlearned

I know how it feels to be  
I know how it feels to be bad

It's much too late for legislation  
We've spoilt those mean and overgrown boys  
Oh on the oath, if everybody  
Breaks down the gates, to smash up their toys  
Do what you will, I'll not incline  
To be your judge or criticise

I know how it feels to be  
I know how it feels to be bad
