EBENEEZER GOODE - 19/09/1992
4 weeks at #1 - 10 weeks on chart

A great philosopher once wrote
Naughty, naughty, very naughty
Ha ha ha ha ha

There's a guy in the place
He's got a bittersweet face
And he goes by the name of Ebenezer Goode
His friends call him Eezer and he is the main geezer
And he'll vibe about the place like no other man could
He's refined, he's sublime, he makes you feel fine
Though very much maligned and misunderstood
But if you know Eezer he's a real crowd pleaser
He's ever so good, he's Ebenezer Goode
You can see that he's mischievous, mysterious and
devious
When he circulates amongst the people in the place
But once you know he's fun and something of a genius
He gives a grin that goes around from face to face to
face
Backwards and then forwards, forwards and then
backwards
Eezer is the geezer who loves to muscle in
That's about the time the crowd all shout the name of
Eezer
As he's kotcheled in the corner, laughing by the bass
bin

Eezer Goode, Eezer Goode
He's Ebenezer Goode
Eezer Goode, Eezer Goode
He's Ebenezer Goode
Eezer Goode, Eezer Goode
He's Ebenezer Goode
Eezer Goode, Eezer Goode
He's Ebenezer Goode
He's Ebenezer Goode

Ebenezer Goode, leading light of the scene
Know what I mean, see
He created the vibe
He takes you for a ride and as if by design
The party ignites like he's comin alive
He takes you to the top, shakes you all around
Then back down, you know as he gets mellow
Then as smooth as the groove that is making you move
He glides into your mind with a sunny Hello
A gentleman of leisure, he's there for your pleasure
But go easy on old Eezer he's the love you could lose
Extraordinary fellow, like Mr. Punchinello
He's the kind of geezer who must never be abused
When you're in town and Ebenezer is around
You can sense a presence in the sound of the crowd
He gets them all at it, the party starts rocking
The people get excited it's time to shout loud

Eezer Goode, Eezer Goode
He's Ebenezer Goode
Eezer Goode, Eezer Goode
He's Ebenezer Goode
Eezer Goode, Eezer Goode
He's Ebenezer Goode
Eezer Goode, Eezer Goode
