### "Four Letter Girl"

you're the mystery girl yeah  
many secrets you are defending from me  
i'll come to live at your mansion we'll be happy  
pretending to be free won't we  
i see your eyes have imperfections  
and though I think of them as sunspots  
i'd never lie about a cloudy day  
i'd sooner listen to the raindrops  
you're the four letter girl, yeah  
and the floor of your hall is paved with gold  
or so i was told  
who are you now with your hair down?  
are you somebody else i should have known?
