Put your fantasies in someone
Say a prayer and hope to stay young
We'll have chemicals and freedom
In Gorbachev we trust

Put your fantasies in someone
Say a prayer and hope to stay young
We'll have chemicals and freedom
In Gorbachev we trust

In Gorbachev we trust, in Gorbachev we trust
In Gorbachev we trust, in Gorbachev we trust
In Gorbachev we trust, in Gorbachev we trust
In Gorbachev we trust, in Gorbachev we trust
In Gorbachev we trust, in Gorbachev we trust
In Gorbachev we trust, in Gorbachev we trust
