Love Sex Intelligence
Love Sex Intelligence
Love Sex Intelligence
Love Sex Intelligence
Comin' thru in the things you do to me
Love Sex Intelligence
My LSI is all that you require
Your LSI is my heart's desire
Together we are strong enough
To carry on and on and on
Love Sex Intelligence
Love Sex Intelligence
Love Sex Intelligence
Comin' thru in the things you do to me
Love Sex intelligence
I need your LSI
So give me yur Love Sex Intelligence
I need your LSI
So give me your Love Sex Intelligence
LSI Love Sex Intelligence
Caoming on like a seventh sense
LSI define the pleasure principle
To make mind body soul invincible
LSI getting high like adrenalin
Pure as diamond - cool and crystalline
LSI Love Sex Intelligence
Coming on like a seventh sense
Let me take time to define in a rhyme LSI
Three reason why I carry on
And my mind feels strong so hold on
I know that this is the one
With a love so strong and emotion intense
I need your love Sex Intelligence
It makes sense to keep playing the game
Our dimension has changed
You're putting me on a plan of mind peace
And all our problems will cease
And on the rights to your heart
I want a permanent lease
Founded on trust and built on strong ground
Keeping those walls just tumbling down
Between us

With no stress and no fuss
LSI is the bond between us
And I like it like that without any pretence
I need your Love Sex Intelligence
