Marca,marca huasi o

Marca,marca huasi o
Above the andean plateau
At so extreme an elevation
There have to be powerful vibrations
Can you feel that this is so?
In marca,marca huasi o

Lost to science
A wonder....why?
It must defy the paradigm
Sacred, this was meant to be
Monument to co existence
Womanity awaken
Spirits dwell in
The living stones
Animae of light and shadow
The interplay omniversal

Marca,marca huasi o
Above the andean plateau
Above the high plain; alti plano
Indeed, there are strange formations
Have you seen that this is so?
In marca, marca huasi o

Marca,marca huasi o
Above the andean plateau
At so extreme an elevation
Of course there are powerful vibrations
Can you feel that this is so?
In marca, marca huasi o

Lost to science

Animae of light and shadow
The interplay omniversal

Marca,marca huasi o

Above the andean plateau
Above the high plain; alti plano
Indeed, there are strange formations
Have you seen that this is so?
