I am were the mist of the dream starts to clear
In a lonely windmill on a will, it has start to burn
Seeking the ghost of the source
WeÂ´re in fear

Off in my mighty own, the only myth are real
Standing off with steel

let time flow
let eagles fly
let keepers call

The only myth are broken, stand in line to see him
joking
The giant wheels keep on turning, madness keep on
burning

We are the mighty eagles, who make it real
I am the sign, it will make you feel youÂ´re on your way
Bloody diamonds, these were born to kill

Off in my mighty own, the only myth are real
Standing off with Steel

Let time flow
Let eagles fly
Let keepers call

The only myth are broken, stand in line to see him
joking
The giant wheels keep on turning, madness keep on
turning

The keeper of dreams

Big end
One touch
One Will

He will cover the dream with his soul

The keeper of dreams
The keeper of dreams
The keeper of dreams
