Back in the olden days
There were no raves or sonic slaves
Before the desert war
And the lost boys kickin' in your door

Before the strobe
There was the glimmer globe
(Glimmer globe)
So we've been told
There was the glimmer globe

Maggie led the band whilst
Johnny's boys made there last stand
Before Steve went strange
And Gary's cars crashed into flames

Before the strobe
There was the glimmer globe
(Glimmer globe)
So we've been told
There was the glimmer globe

There was a time when
English were the order of the day
No time
Nothing left

Back in the olden days
There were no raves or sonic slaves
Before the desert war
And the lost boys kickin' in your door

Before the strobe
There was the glimmer globe
(Glimmer globe)
So we've been told
There was the glimmer globe

Before the strobe

Before the strobe
There was the glimmer globe

(Glimmer globe)
So we've been told
There was the glimmer globe

Glimmer globe
