Hello, Hello..
Have We Met Before?
Not You Again. Oh What A Bore
...You're So Cold.
Not Barely Alive.
You're So Old You Must Be Twenty-Five

Chorus
Monster
Monster
Monster
Go Ahead. You Can Hide.
Even Though,
We've Got Nothing To Say.
'Soon As We Part,
It's Always The Same.
Really Can't Remember Your Name...
Chorus x2

You're The Monster,
You're The Monster...
Monster

Chorus x3

You're The Monster, What A Monster..
You Dirty Monster Monster..
