Yeah, war paint, yeah  
War paint, put it on, put it on  
Night is over, lipstick heaven  
Bet you can't get it from the 7/11

Charcoal is our body armor  
Blacked our faces  
From runny mascara  
Perfect make up, we don't care

We've got tangles in our hair  
Get your masks on, put it on if you dare  
Yeah, yeah, slapping on the war paint  
Got no class but we got the style

War paint, slap it on when we do war  
War paint, if you can't get a head  
Get the right clothes on  
We don't wanna go to heaven

All we want is war paint  
Drunken nights are such a killer  
Smudge your face on your pillow  
Made you look and I made you stare

Made you lose your underwear  
Made you lose your underwear  
Made you lose your underwear

We've got tangles in our hair  
Get your masks on, put it on if you dare  
Yeah, yeah, slapping on the war paint  
Got no class but we got the style

War paint, slap it on when we do war  
War paint, if you can't get a head  
Get the right clothes on  
We don't wanna go to heaven

All we want is war paint  
Drunken nights are such a killer  
Smudge your face on your pillow

Made you look and I made you stare

Who wants to be so

Who wants to be so

When you can be so radical
