Yeah, oh yeah, yeah, oh yeah

Go to a party, we'll crash it
In a hotel, we'll trash it
Got a bottle, we're drinking
Got a yacht, he's got a yacht? We'll sink it

There's always trouble
It follows us around
Everywhere we seem to go
Every city, every town

There's always trouble
It follows us around
1, 2, 3, 4
Who's that knocking at the door?
Zap, pow, biff, bang, holy cow

Someone's gonna get it
And they're gonna get it now
Smack, crack, bish bash, heart attack
Someone's gonna get it
And they're gonna get it now

It's a short walk, we'll nab it
Got no invite, we'll bag it
Got a light switch, we'll fuse it
We've got a false box
And we're gonna use it

There's always trouble
It follows us around
Everywhere we seem to go
Every city, every town

There's always trouble
It follows us around
1, 2, 3, 4
Who's that knocking at the door?
Zap, pow, biff, bang, holy cow

Someone's gonna get it

And they're gonna get it now
Smack, crack, bish bash, heart attack
Someone's gonna get it
And they're gonna get it now

Yeah, oh yeah, yeah, oh yeah
