(I'm an angel with a shotgun,  
Shotgun, shotgun,  
An angel with a shotgun,  
Shotgun, shotgun...)

Get out your guns,  
Battle's begun,  
Are you a saint, or a sinner?  
If loves a fight, than I shall die,  
with my heart on a trigger.

They say before you start a war,  
You better know  
What you're fighting for.  
Well baby, you are all  
That I adore,  
if love is what you need,  
A soldier I will be.

I'm an angel with a shotgun,  
fighting til' the war's won,  
I don't care  
If heaven won't take me back.  
I'll throw away my faith, babe,  
Just to keep you safe.  
Don't you know you're  
Everything I have?  
... and I, wanna live,  
Not just survive, tonight.

Sometimes to win, you've got to sin,  
don't mean I'm not a believer.  
... and major Tom, will sing along.  
Yeah, they still say  
I'm a dreamer.

They say before you start a war,  
You better know  
What you're fighting for.  
Well baby, you are all  
That I adore,

if love is what you need,  
A soldier I will be.

I'm an angel with a shotgun,  
fighting til' the war's won,  
I don't care  
If heaven won't take me back.  
I'll throw away my faith, babe,  
Just to keep you safe.  
Don't you know you're  
Everything I have?  
... and I, wanna live,  
Not just survive, tonight.

ooooohhhhhhhh, oooooohhhhhh

I'm an angel with a shotgun,  
fighting til' the war's won,  
I don't care  
If heaven won't take me back...

I'm an angel with a shotgun,  
fighting til' the war's won,  
I don't care  
If heaven won't take me back.  
I'll throw away my faith, babe,  
Just to keep you safe.  
Don't you know you're  
Everything I have?  
(I'm an angel with a shotgun)  
... and I, wanna live,  
Not just survive, tonight.  
(Live, not just survive)

... and I'm gonna hide, hide,  
Hide my wings tonight.

They say before you start a war,  
You better know  
What you're fighting for.  
Well baby, you are all  
That I adore,  
if love is what you need,  
A soldier I will be.
