Baby, take it off
Checkered thighs on a pretty pawn
This vicious velvet ain't enough
So baby, make a move
My neon eyes are set on you
The devil's language tastes of lust

Tell me what can I say to make your body come this
way
We're only two in a crowded room where others fade
away
It's only a crime if I get caught
It's only a line if it gets bought

Woke up at 12:05
I left that room with no goodbye
and now I'm on my way back home
It's not that your lipstick failed
But girl, I was just born to bail
I do it better on my own

Tell me what can I say to make your body come this
way
We're only two in a crowded room where others fade
away
It's only a crime if I get caught
It's only a line if it gets bought

It's the same game
I play 'til the give becomes the take
It's the same game
I play 'til the bend
The bend become the break

Baby, take it off
Checkered thighs on a pretty pawn
This vicious velvet ain't enough
So baby, make a move
My neon eyes are set on you
The devil's language tastes of lust

It's only a line if it gets bought

It's the same game
I play 'til the give becomes the take
It's the same game
I play 'til the bend
The bend become the break
