I came, you went
Was there something I should have said?
I'm sure there is
I'm supposed to know

If I could be myself for just a minute
And God forbid pleased with myself
In this relationship
Now all I want is a moment alone
Without you, without you

Time out
But keep the tapes rolling
Just in case I
Say anything brilliant
Time out
But keep those cameras rolling
Just in case I
Don't look this good forever

Like hell, I'm spent
You were someone I shouldn't have met
For your own sake
Let's take my side for once

If I could be myself for just a minute
And God forbid pleased with myself
In this relationship
Now all I want is a moment alone
Without you, without you

Time out
But keep the tapes rolling
Just in case I
Say anything brilliant
Time out
But keep those cameras rolling
Just in case I
Don't look this good forever

I'm sure there is

I'm supposed to know

Time out
But keep those cameras rolling
Just in case I
Don't look this good forever
Time out
But keep those hips rolling
Just in case I
Say anything brilliant
