... And I, think you're  
From another world,  
And I, I couldn't love another girl,  
Cause you, you make me feel like  
I'm intoxicated.

In a room full of frozen faces,  
And a moment of fractured time,  
We eclipse in a conversation,  
As the words, they pass us by.

With you,  
We could be the only ones here.

... Cause I, think you're  
From another world,  
And I, I couldn't love another girl.  
Cause you,  
You make me feel like  
I'm intoxicated, toxicated.  
To the sky, flying high,  
Take me to the moon,  
Day or night,  
We don't have to say a word,  
Cause you,  
You make me feel like  
I'm intoxicated, toxicated.

Your eyes like a shot of whiskey,  
Warms me up like a summer night.  
Can you tell that I need ya with me?  
Let me drink you down tonight.

No I don't just want  
Any pretty face,  
Wanna wake up  
Next to yours each day.  
Baby, won't you be  
My saving grace tonight, tonight?

With you, we could be the only ones here.

... Cause I, think you're  
From another world,  
And I, I couldn't love another girl.  
Cause you,  
You make me feel like  
I'm intoxicated, toxicated.  
To the sky, flying high,  
Take me to the moon,  
Day or night,  
We don't have to say a word,  
Cause you,  
You make me feel like  
I'm intoxicated, toxicated.

Feel like I black out,  
Pass out,  
Everytime that we touch.  
... And if it hurts in the morning,  
Than it must be love.  
I want your heart, baby,  
Straighten up chaser.  
I wanna feel it in my head,  
When I wake up. (When I wake up)

... Cause I, think you're  
From another world,  
And I, I couldn't love another girl.  
Cause you,  
You make me feel like  
I'm intoxicated, toxicated.  
To the sky, flying high,  
Take me to the moon,  
Day or night,  
We don't have to say a word,  
Cause you,  
You make me feel like  
I'm intoxicated, toxicated.

To the sky, flying high,  
Take me to the moon,  
Day or night,  
We don't have to say a word,  
Cause you,  
You make me feel like  
I'm intoxicated, toxicated.

... Cause I, think you're  
From another world,  
And I, I couldn't love another girl.  
Cause you,

You make me feel like  
I'm intoxicated, toxicated.
