Lately I've been walking  
Through these places that I cannot stand  
Guess it's just my history talking  
Now I'm refusing to supply your demands

You say the storm will pass  
We'll work it out  
The roads can get a little rough sometimes  
But I'm moving fast without a doubt  
Our hearts will beat in separate rooms tonight, tonight

Baby, we belong alone  
This last second chance is blown  
Baby, we belong alone  
I've got another you at home  
Baby we belong alone, alone

And lately you've been knocking  
But I never really listened or cared  
'Cause when I told you I was walking  
I was reeling her in with my stare

You say the storm will pass  
We'll work it out  
The roads can get a little rough sometimes  
But I'm moving fast without a doubt  
Our hearts will beat in separate rooms tonight, tonight

Baby, we belong alone  
This last second chance is blown  
Baby, we belong alone  
I've got another you at home  
Baby we belong alone, alone

Baby, we belong alone  
This last second chance is blown  
Baby, we belong alone  
I've got another you at home  
Baby, we belong alone  
This last second chance is blown  
Baby, we belong alone

I've got another you at home  
Baby we belong alone, alone
