(Verse One)

I think I'm gonna write a letter
'Cause she done lost her mind
(She be trippin' on everything)
Don't even give me time alone
(But when I wanna feel her love)
She be leaving me hanging...

(Chorus)

All I see is broken mirrors
Painful memories of you
Burning pictures in the fireplace
All my guys told me I'm a fool
But, there was nothing to lose
I guess I'll find love another day

But, until then, you can-you can Kiss My Ass,
You can-you can Kiss My Ass (Aww yeah)
And when you read this letter, babe...
Know that you can Kiss My Ass
You can-you can Kiss My Ass
(Awww yeah, ye-yeah... yeah)

(Hook)

Muah, muah You can kiss my ass (muah)
Muah, muah You can kiss my ass (muah)
Muah, muah You can kiss my ass (muah)
Muah, muah You can kiss my ass (muah)

(Verse Two)

Dear, love of my life...
I wish that we could be together
But, it doesn't work that way
I'm gonna close this out
By saying "fun while it lasted"
Sincerely, Mannequinn

(Chorus)

All I see is broken mirrors
Painful memories of you
Burning pictures in the fireplace

All my guys told me I'm a fool
But, there was nothing to lose
I guess I'll find love another day

But, until then, you can-you can Kiss My Ass,
You can-you can Kiss My Ass (Aww yeah)
And when you read this letter, babe...
Know that you can Kiss My Ass
You can-you can Kiss My Ass
(Awww yeah, ye-yeah... yeah)

Muah, muah You can kiss my ass (muah)
Muah, muah You can kiss my ass (muah)
Muah, muah You can kiss my ass (muah)

(Bridge) *TALKING VOICE*
Alright, Have you ever been in love
And just wanted out after awhile? (Uhh yeah!)
What about being screwed over for no reason? (Hmph,
hell yeah!)
Well, I'm here for you
Write those thank you letters
And tell those bitches "I HATE YOU!"
Kiss My Ass... Yup!

(Chorus)
All I see is broken mirrors
Painful memories of you
Burning pictures in the fireplace
All my guys told me I'm a fool
But, there was nothing to lose
I guess I'll find love another day

But, until then, you can-you can Kiss My Ass,
You can-you can Kiss My Ass (Aww yeah)
And when you read this letter, babe...
Know that you can Kiss My Ass
You can-you can Kiss My Ass
(Awww yeah, ye-yeah... yeah)
