I want to do the lovi dovi, lovi, lovi with you  
Oh my darling  
And I want to do the lovi dovi, lovi, lovi with you  
Oh my darling

I want to love you, and baby boy I want to kiss you  
And hope you say I'ma Wressure you for a promise ring  
But I wanna get to know you, I wanna hold your hand  
through, to talk with you  
I wanna move, I wanna dance, I wanna shout, I wanna  
sing with you  
I need you baby, I have to have you in my life  
I need you to hold you till the morning light, oh yeah

I want to do the lovi dovi, lovi, lovi with you  
Oh my darling  
And I want to do the lovi dovi, lovi, lovi with you  
Oh my darling, yeah  
And I want to do the lovi dovi, lovi, lovi with you  
Oh my darling  
I want to do the lovi dovi, lovi, lovi with you  
Oh my darling, yeah

I never knew that loving you will feel so good  
But honey until you try, ...  
You've taken me to the heavens with your gentle ways  
You make me feel just like a child, my young and  
restless days  
I need you baby, I have to have you in my life  
I need you to hold you till the morning light, oh yeah

I want to do the lovi dovi, lovi, lovi with you  
Oh my darling, yeah  
And I want to do the lovi dovi, lovi, lovi with you  
Oh my darling, yeah  
Cause I want to do the lovi dovi, lovi, lovi with you  
Oh my darling, yeah  
I want to do the lovi dovi, lovi, lovi with you  
Oh my darling, yeah, yeah  
Yeah, yeah, yeah  
I want to do the lovi dovi, lovi, lovi with you

Show you lovin, show you lovin  
Let's do the lovi dovi  
Show you lovi, everybody show you lovi
