Lately, I've been thinkin 'bout you
Goin' crazy (Got me goin' crazy)
Can't go on without you
In my life its true (in my life)
What you wanna do
You can be my Boyfriend (Ay)
I can be your Girlfriend (Ay yo man)

[Verse 1]
Hey there Q-Tip?
Ha What's the deal?
Had to let you know how i feel
Had a bunch of girls, but Imma keep it real
Them otha chickenheads couldn't foot the bill
But you, Its somethin' about ya baby
What it is? I dont know.
Maybe 'cause ya body just right
Wit a sexy smile
And you know how to get that dough
Plus ya heart so red just like Bo (Q)
Feel me up, when I'm feelin' low
When I'm home or at the road
No questions asked
You know its on as soon as i hit the door (Fa Sho!)
And I need that on my team
Baby you was made for me
Had somethin' on my mind
But forgot what it was and that's because...

[Chorus]
Lately, I've been thinkin 'bout you
Goin' crazy (Got me goin' crazy)
Can't go on without you

In my life its true (in my life)

I can be your Girlfriend (Okay)
