"All I Can Do"

I wish I could tell you
How I feel inside
But you mean so much more than
My words can describe.

And all I can do, all I can do,
All I can do, is sing to you

When I'm right here beside you
And I look in your eyes,
I know you must be my
Little angle in disguise.

And all I can do, all I can do,
All I can do, is sing to you, sing to you

I hope I can show you
Before you're gone
I'd try to explain but
It would take too long.

Soo all I can do, all I can do,
All I can do, is sing to you, sing to you
