You call my name  
It sound's just the same  
I'll be alone  
You're right at home.

Yeah cause you  
Won't back down  
Won't back down.

Take one more shot  
Give all you've got  
Cause I'll be at home  
You're all alone.

Yeah cause you  
Won't back down  
Won't back down.

No you won't  
Won't back down  
Won't back down.

Cry one for me  
And kill misery  
Cause I'll be at home  
You're all alone  
I'll be at home  
While you're all alone

Yeah cause you  
Won't back down  
Won't back down.

No you won't  
Won't back down  
Won't back down  
Down, yeah
