Walkin' through my life  
Singing songs tonight  
Who thought it'd get this bad?  
Something bigger than  
The life I've welcomed in  
Is one I've never had.

And I want you covered  
In all my lies  
Won't you tell me that  
Everything is alright  
I've just gotta find a way.

How my life has changed  
I wish i could explain  
What's happening to me  
Thinkin' down the road  
It's where I used to go  
That's where I want to be.

And I want you covered  
In all my lies  
Won't you tell me that  
Everything is alright  
I've just gotta find a way...

To win you back  
Turn my head untill  
I know how you'll react  
Mabey then I'll know  
Just what i need to say  
Cause I just gotta find a way.  
I just gotta find a way.

And I want you covered  
In all my lies  
Won't you tell me that  
Everything is alright  
I've just gotta find a way.  
I just gotta find a way, way, yeah  
I just gotta find a way
