surrounded by four
walls they cave in on you
spend some time with your weakness;
dont let it get the better of you

Chorus

watch you fade away
for just one more day
coz im sick and tired of seein you watchin you fade
coz im sick and tired of seein you watchin you fade

addiction is yours
poison yourself all alone
take control of your sickness
dont leave us here all on our own

Chorus

watch you fade away
for just one more day
coz im sick and tired of seein you watchin you fade
(away)
